Sebastian River High School Resource Deputy (SRD) Vehicle Wrap Fundraiser

Fundraising Goal: \$6,000

Purpose of the Fundraiser:

Sebastian River High School is seeking community support to fund the professional wrapping of our School Resource Deputy (SRD) patrol vehicle in a custom Sebastian River High School-themed design. This initiative will serve as a visible symbol of school pride while reinforcing the strong, positive relationship between our students, staff, families, and local law enforcement.

The wrapped SRD vehicle will be prominently featured at:

- School events
- Athletic competitions
- Community gatherings
- Parades and special events

Sponsorship Levels

- Platinum Level - \$1,000 and Up
- Gold Level - \$750 up to \$999
- Silver Level - \$500 up to \$749
- Bronze Level - \$250 up to \$499
- Community Supporter Level - \$249 and Under

A scannable QR code will be placed on the back bumper of the vehicle and directed to a viewable sponsorship page via the IRCISO website. This gives the opportunity for anyone who scans it a quick and easy way to view all the wonderful sponsors. These sponsorship opportunities provide a meaningful way to support student safety, promote school pride, and strengthen community partnerships, while also offering positive visibility throughout the region.
